Necrology Form

At the opening of the Diocesan Convention, it is the custom of The Diocese of West Tennessee to remember those persons who have served the Diocese in leadership roles and who have died since our last meeting. If someone who has died since last November has served as a convention delegate or as a member of Bishop and Council, Standing Committee, vestry, or mission council, please list their names, the position(s) in which they served, and their congregation and return this form to the Diocesan Office by October 20, 2017.

Name	Position(s) Served	Congregation
